

Scaling high-stakes assessment in a global profession

In partnership with

This is what ACCA learned from delivering exams in over 100 countries.

The challenge:

How do you grow exam reach without increasing operational risk?

- Traditional controls were under pressure
- Candidate expectations were rising
- Integrity, accessibility and trust had to be preserved

The solution:

A flexible, secure digital model, tailored for high-stakes exams.

- Remote + centre-based delivery
- Integrated AI proctoring
- Exam integrity by design

The solution:

A flexible, secure digital model, tailored for high-stakes exams.

- 500,000+** candidates supported annually
- 5x increase** in delivery capacity
- 100%** integrity compliance

RM AvaTM

Our adaptive virtual accreditation platform, now available to all finance bodies.

- Secure, scalable delivery
- AI-assisted marking
- Seamless results sharing
- Role-based access and multilingual support

Ready to rethink how you assess?
